Disclaimer

USDTz is **not affiliated with Tether**. This document is for technical and informational purposes only and does **not** constitute investment advice or an offer to sell securities.

Brand & Non-Affiliation Disclaimer

USDT.z (ticker: USDTz) is an independent BEP-20 token on BNB Smart Chain, not affiliated with Tether or with USDtez (ticker: USDTZ) on Tezos, nor with any similarly named issuer/brand. The token is designed for OTC operations and collateral use, not for speculative trading. The PancakeSwap v3 pool serves as a minimal price-discovery channel. On-chain evidence prevails over documents. This is not a financial offer.
